

Refresh. Reward. Recycle.

Earn up to \$1,250 cash back when you upgrade to a new HP printer and recycle your old model. Offer ends April 30, 2008.

Now's the time to start fresh. HP is offering a cash-back incentive that makes it extra rewarding when you upgrade to a fast, energy-efficient new HP printer.

Through the **Make the Upgrade and Save** promotion, you can earn a check for up to \$1,250 when you upgrade to a new model from HP and send in your old laser printer. Trade in your old HP, Dell, Lexmark, Xerox, Epson, etc. and HP will pay for the shipping and recycling. Your savings are determined by the new HP printer model you choose.

For each new printer purchased, an old laser printer must be traded in.

- » HP accepts all previously-owned HP LaserJets and all competitive brand laser printers.*
- » Only one old printer will be accepted for each purchase.
- » Printers traded in will be recycled in an environmentally responsible manner.
