VARs Will Find Supplies Network Products on CNET

St. Louis, MO – March 31, 2010 – Supplies Network’s full catalog of 5,000 OEM and compatible IT consumables is now available to thousands of Value-Added Resellers on CNET Content Solutions. Dealers will have current pricing and stock levels, updated daily, and the convenience of yet another way to find products and place orders.

Supplies Network is the largest privately owned wholesaler of IT consumables in the U.S. specializing in IT supplies, equipment and data storage. A comprehensive selection of OEM and compatible supplies for printers, copiers and fax equipment—including maintenance kits/parts—are available from one source.

Excelling at small package distribution, Supplies Network provides 1 or 2 day shipping throughout the U.S. There is no extra charge for direct shipping to your customers or technicians, eliminating the need for costly inventory and local delivery. Take advantage of great prices, specialized service, custom private labeling, creative marketing to drive end-user demand for supplies, and our award-winning CARBON SiX Managed Print Services. Regional distribution centers are located in: Dallas, TX; Fresno, CA; Carlisle, PA; and St. Louis, MO, where the company is headquartered.

Please contact your Supplies Network representative at 800-729-9300 to access our catalog on CNET. For additional information on Supplies Network, please call 877-427-3261, email comfort@suppliesnetwork.com or visit www.suppliesnetwork.com.
