United names preferred suppliers for 2010

16 October 2009 - Deerfield (IL), USA

United names preferred suppliers for 2010

16 October - Deerfield (IL), USA

United Stationers has issued its list of preferred suppliers for 2010.

To achieve 'preferred supplier' status, companies are ranked on a variety of measures including sales and marketing initiatives, executive accessibility, sustainability, marketing programme collaboration and dedicated support for the independent reseller channel.

"Our Preferred Supplier Program rewards those companies that focus their efforts on establishing a long-term collaborative relationship with United Stationers and the resellers we serve," said Jim Fahey, United Stationers, SVP of Merchandising. "These suppliers share our commitment to provide innovative products, support total supply chain efficiency and demonstrate ongoing support of the reseller channels we serve."
